

**You can nail faster and straighter with
a CHENEY hammer because**

- You can drive nail with one hand
in places ordinarily out of reach.
UNIQUE NAIL HOLDER.
- You can relax your grip on the
back swing — less tiring.
NEVER-SLIP HANDLE.
- Handle will not come loose.
DOUBLE-TAPERED EYE.
- CHENEY Hammers are forged from
highest quality steel — scientifically
heat-treated.
- **HANDLE** is *second growth hickory*
— 300 lb. tested.

**HOW TO USE YOUR CHENEY NAIL-HOLDING
HAMMER :**

- Place head of nail (any
size) in 'T' slot.
- Drive nail where desired
using claw end of hammer.
- As nail enters wood, weight
of blow frees hammer from
nail.
- Finish driving nail with
face of hammer as usual.
- The CHENEY hammer will
pull out any nail-first time.
